

**Floyd County Commissioners
Authorization Community Intellectual Disability Provider
and Community Mental Health Provider Funding**

Whereas, the Floyd County Board of Commissioners met on September 6, 2016;

Whereas, the Floyd County Commissioners strongly believe in providing financial assistance to those members of our community that have mental illness and intellectual disabilities;

Whereas, the Indiana Code provides the County the ability to provide for the needed and necessary services for these individuals and families;

Whereas the Floyd County Commissioners authorizes the furnishing of financial assistance to a community intellectual disability organization, Rauch Inc. per Indiana code 12-29-1-1 and mental health provider, LifeSpring, Inc. per Indiana code 12-29-2-1.2

NOW, THEREFORE,

BE IT Ordained, that the Floyd County Commissioners authorizes the furnishing of financial assistance to Rauch, Inc., a community intellectual disability provider through the process as stated in Indiana Code 12-29-1-1 at a rate of .0130 per \$100 most current rate of the most current certified assessed valuation and LifeSprings Inc., a community mental health provider, at the determined in the settlement agreement with the agency.

SO Ordained this _____ day of September 2016.
