The undersigned applicant acknowledges and understands that the Floyd County Health Department may, at my request, proposed a design for a septic system and set-aside area based upon state and local statutes, ordinances, rules and regulations; this applicant acknowledges that, due to the variations in soil types, terrain, and other factors, it is not possible for the Department to propose a design for a system that will be failure proof; that the action by the Department in proposing a design at my request is not, and shall not be considered by the undersigned, as a guarantee that the system so designed and installed will perform as required by applicable state and local statute, rules, and regulations; that the undersigned accepts the responsibility and liability for the failure of the system installed pursuant to this permit and will indemnify and hold harmless the Department for any such failure; and, the applicant understands that due to conditions known or believed to pertain to the site of installation of the septic system, the Department may decline to propose a system design and require that the proposed system be designed by a Registered Professional Engineer\*. The undersigned further acknowledges an understanding of all requirements and procedures for obtaining this permit as defined and set forth in the (FCHD form) Requirements and Procedures; does covenant and agree to conform to and abide by the same; and, does hereby expressly release the Department from any liability, cost, expense, charge, or damage to person or property, resulting from the failure of the septic system installed pursuant to this permit.
